

Pregnancy During COVID-19: Virtual Information Session

Join our *Expecting the Best*® Case Management Team to learn more about pregnancy during the COVID-19 public health emergency.

English Online Event:
Wednesday, August 5, 2020, at 10 a.m.

Spanish Online Event:
Thursday, August 6, 2020, at 10 a.m.

Let us know if you can attend by
Tuesday, August 4
<https://tinyurl.com/y26wagqk>

Members will receive helpful information about pregnancy during this time from experienced maternity case managers on a variety of topics:

- Planning for maternity care appointments
- Planning for delivery
- General tips from the CDC and American College of Obstetricians and Gynecologists
- The personal experience of a mother who recently gave birth during COVID-19 hospital rules
- And more
