**Section II** identifies the person/entity that will be receiving the PHI about the individual identified in Section I. An individual could authorize disclosure of his or her PHI to a close friend, a broker, an attorney, or a specific member of his or her employer's benefits staff. The individual may also authorize disclosure to an organization. Include the information identifying the organization's job titles to receive the PHI (e.g., Benefits Representatives, Human Resources Department, XYZ Insurance Agency, etc.). In this example, Jane Doe has identified her daughter, Suzy Smith as the person who is authorized to receive her information.

**III. Specific Description of Information to be Used or Disclosed** *(Please Complete Parts A and B in this Section)*  
**This Authorization CANNOT be used to disclose Psychotherapy Notes.**

Section III will assist in determining what PHI the individual identified in Section I allows the receiving person/entity identified in Section II to receive. This section has two parts, both of which must be completed.

**A. Release of Sensitive Protected Health Information Under State Law**

You must check “yes” or “no” if you authorize the release of medical information, test results, records or communications specific to *(note: “yes” means this information is included in the categories you designate in Part B below)* :

- Human Immunodeficiency Virus (HIV) or HIV/Acquired Immune Deficiency Syndrome Yes
- Sexually transmitted or “communicable” diseases (includes hepatitis, as well as venereal diseases); No
- Drug, alcohol or substance abuse;
- Mental health or developmental disabilities (including mental retardation or similar disabilities, for example, those attributable to cerebral palsy, autism or neurological dysfunctions); and
- Genetic testing.

**Section III A.** asks if the authorizing individual identified in Section I wants the receiving person/entity identified in Section II to receive **Sensitive** Protected Health Information (SPHI). SPHI are certain types of health information for which various states’ laws require extra protections. Either “**Yes**” or “**No**” must be chosen. In this example, Jane has agreed to let Suzy receive her SPHI.

**Section III B.** asks for the specific types of information that the individual identified in Section I is authorizing FirstCare Health Plans to disclose to the person/entity identified in Section II. In this example, Jane is authorizing FirstCare Health Plans to provide her daughter with her claims information for the time period listed. “Dates of Service” means disclosing information for health care services the individual received during a particular time period. For example, in this case Jane Doe is authorizing FirstCare Health Plans to disclose claims information for health care services provided during September 19, 2006 through July 25, 2009.

**IV. Expiration and Revocation:**

**Expiration:** This authorization will expire on (must choose one):

- One year from the date it is signed
- Other (insert date or event): \_\_\_\_\_

**Right to Revoke:** I understand that I may revoke this authorization at any time by giving written notice to the address listed at the bottom of this form. **I understand that revocation of this authorization will not affect any action the above named entity took in reliance on this authorization before the above named entity received my written notice of revocation.**

Section IV. asks for the “expiration” date and a statement regarding the individual’s right to revoke. All valid authorizations must contain a specific expiration date or expiration event (e.g. “**hospitalization end date**”, “**rehabilitation end date**”, etc). In this example, the authorization will remain valid for a period of one year from the date it was signed, or until Jane revokes the authorization.

**V. Signature** (this document must be signed by the individual, parent of minor child or the individual's personal representative):

I understand that this authorization is voluntary and that the health plan cannot condition my eligibility for benefits, treatment, enrollment or payment of claims on the signing of this authorization. Section V. requires the signature and date. If the individual is a minor dependent under the age of 18, a parent or guardian may sign the authorization form. A personal representative has received legal authority to represent the individual. In this case, since Jane is completing the form, there is no need for a personal representative to sign. If Jane’s personal representative were signing this authorization on her behalf, the personal representative must complete the lower portion of Section V and submit the proper documentation with the authorization form (if not already on file with FirstCare Health Plans).
