## **Section 1 – Introduction**

This directory provides a list of FirstCare Advantage Dual SNP’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

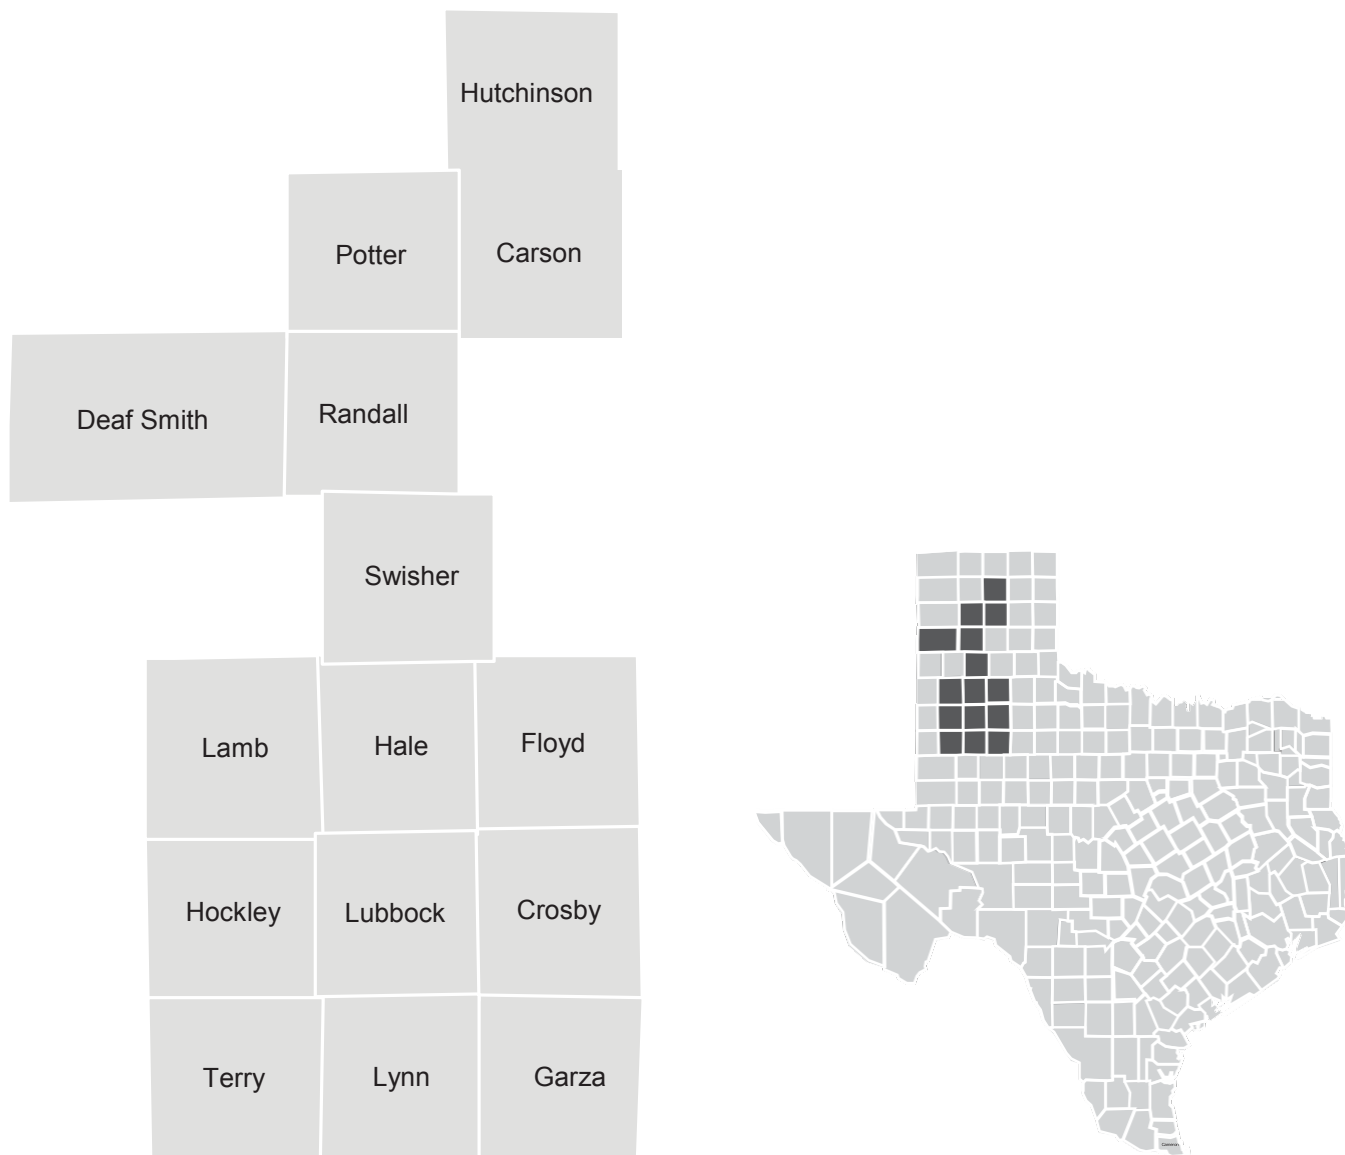

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. A PCP is a physician that may be selected by you to coordinate your healthcare.

The “network providers” listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor FirstCare Advantage Dual SNP will be responsible for the costs.

You may obtain emergency or urgently needed services from the closest available provider, and from any qualified provider when out of the plan’s service area or when network providers are unavailable. In cases where out-of-network providers submit a bill directly to you please do not pay the bill. The provider should submit this to FirstCare Advantage Dual SNP for processing and determination of your out of pocket costs, if any.

# Sección 1 Introducción

Este directorio proporciona una lista de los proveedores de red de FirstCare Advantage Dual SNP. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

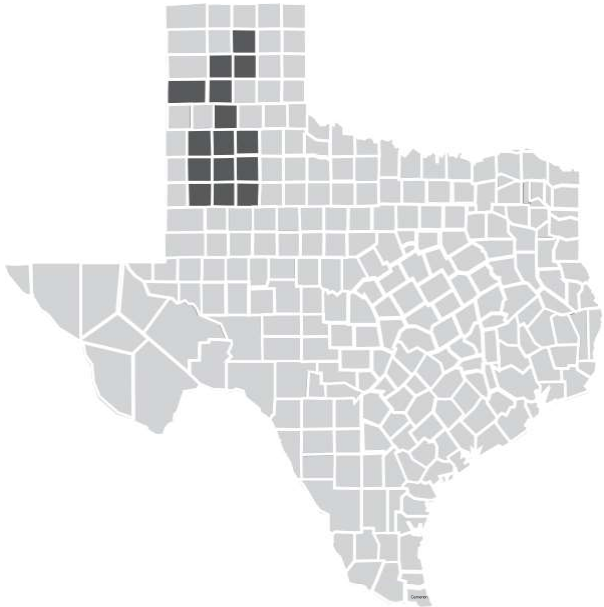

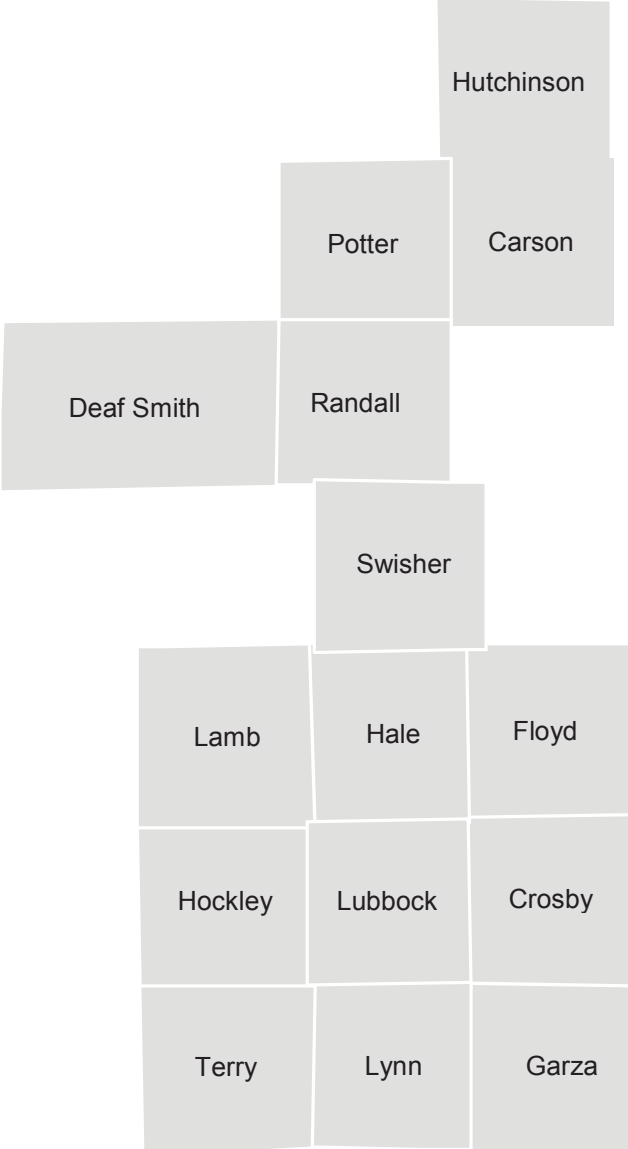

Tendrá que elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su Proveedor de atención primaria (PCP). En general, debe obtener sus servicios de atención médica de su PCP. Un PCP es un médico que usted puede seleccionar para coordinar su atención médica.

Los "proveedores de la red" que figuran en este directorio han acordado brindarle sus servicios de atención médica. Puede ir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, algunos servicios pueden requerir una referencia. Si ha estado yendo a un proveedor de la red, no es necesario que continúe yendo a ese mismo proveedor. En algunos casos, puede obtener servicios cubiertos de proveedores que no pertenecen a la red.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o atención de urgencia o para diálisis renal fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni FirstCare Advantage Dual SNP serán responsables de los costos.

Puede obtener servicios de emergencia o de urgencia del proveedor más cercano disponible y de cualquier proveedor calificado cuando esté fuera del área de servicio del plan o cuando los proveedores de la red no estén disponibles. En los casos en que los proveedores fuera de la red le envíen una factura directamente, no la pague. El proveedor debe enviar esto a FirstCare Advantage Dual SNP para el procesamiento y la determinación de sus costos de bolsillo, si corresponde.
