

Specialty pharmacy drug list

July 1, 2023

The BSWHP Specialty Pharmacy Program offers you the choice of two specialty care pharmacies to help manage and access your specialty drugs: the Baylor Scott & White Specialty Care Team pharmacy or Optum® Specialty Pharmacy. If you are taking one of the specialty medications listed in this document and obtain it through a pharmacy, you must contact either Baylor Scott & White Specialty Care Team pharmacy or Optum Specialty Pharmacy to fill your prescription.

Characteristics of specialty medications

Specialty medications are often drugs you take by mouth or inject. For a medication to be filled through Optum Specialty Pharmacy, it must be at least one of the following:

High-priced

- Can cost more than \$1,000/30 day supply

Complex

- Drug imitates compounds found in the body
- Part of a specialty drug class

High-touch

- Special shipping or handling like refrigeration
- Needs a doctor or pharmacist to measure how well it works for you
- Special steps to follow as you take

Ammonia detoxicants	Central nervous system agents	Endocrine
